Hello Comrades

Tomorrow is the beginning of the "Ruck 2 Remember" and will take place during August 25-28, 2016.

I have attached the event information that Comrade Pamela Sweeny gave to our committee back in June at our PR meeting. Below in this email there is information on events taking place at branches in the evenings.

Please give this immediate widest circulation possible!

If anyone is taking photos, please email some to me, it would be greatly appreciated!

Thank you Comrades! And we hope for a successful event(s) during this time!
